A Great Start!

We want to first express our gratitude to all families for the incredible start to the school year. We are so pleased to see how quickly our students have settled into their new routines and made connections with their classmates and teachers. We are excited about all the learning opportunities that lie ahead and look forward to a year filled with growth, discovery, and success.

Expectation Assemblies

Grades 1-4 attended opening expectation assemblies the week of August 26, 2024. These assemblies covered essential school rules and policies, ensuring a positive and productive learning environment for everyone. One of the topics we emphasized were cell phones and smartwatches. It is important to remind your child that these devices should be kept out of sight and turned off or on silent during school hours. For more details on cell phone policy, please [click here](#).

We will be conducting a similar assembly for our Kindergarten students soon.
