Halfway Through the First Grading Period!

Last Friday, September 20, marked the half way mark for the first nine weeks. We are thrilled to see the positive and supportive learning environments that have developed within our school community. We understand that the cancellation of Grandparents' Day was very unfortunate. We have made the decision to postpone this event until the spring. We believe that this will allow for us to plan and have a more enjoyable experience for all. We will send out more information about the rescheduled event in the near future. Thanks and we hope everyone has a wonderful weekend! Go Bulldogs!

Pep Rally / Pawsitive Assembly

We are excited to announce that on Friday, October 4, Lakeview Elementary will be hosting a pep rally to kick off the pawsitive assemblies for all K-4 students. The high school band, majorettes, cheerleaders, and football players will be running the pep rally that morning. To show school spirit we are asking all students to wear blue and white that day.

This will be our first pawsitive assembly of the year. As part of our Positive Behavioral and Interventions Supports program, each month the students are working on habits and skills to help them improve as students and as individuals. This month, students have been working on being proactive. For their efforts, a student from every class is chosen to be student of the month. These students will be recognized during the assembly.

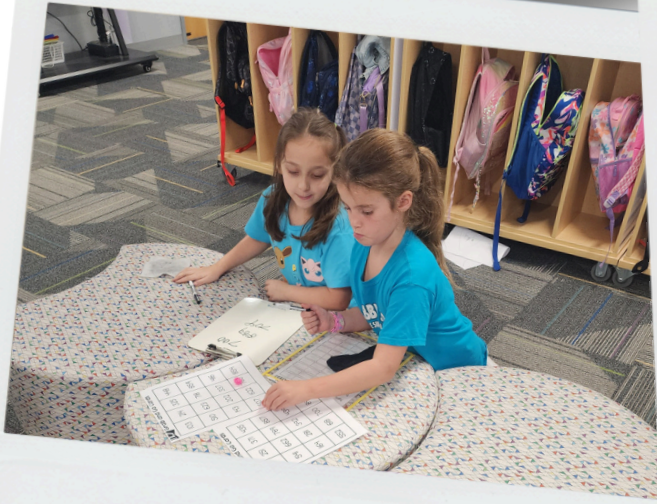

Harvest Party

PTO will be hosting the annual Harvest Party for each grade level on Friday, November 1, 2024 in the Elementary Gym. Times and information about the event will be sent home via email soon. Thank you!

IT'S A GREAT DAY TO BE A BULLDOG!

Thank You Pizza Joe's
for the Football Tickets!
